

KOSHER PET FOOD

FACT SHEET

Year-Round

- May contain non-kosher ingredients.
- May not contain a mixture of beef/lamb and milk.
- May contain a mixture of poultry and milk.
- May contain a mixture of non-kosher meat and milk.

Passover

- May not contain any *chametz* ingredients such as wheat, barley, oats, rye, spelt, pasta, brewer's yeast, and starch.
- Pet food that is *chametz* should be sold with the rest of your *chametz*.
- May contain kitniyot ingredients such as beans, buckwheat, corn, millet, peanuts, peas, rice, sorghum and soybeans.
- Be careful with foods for fish, birds, and small animals as many feeds are grain based.
- Double-check the ingredient label even if the food is grain/gulten-free.

Always remember to consult your local Rabbi if you have any Halakhic questions regarding Pesach.
